Dearest Daddy & Mother:

Greetings
from Siloam Springs! We
are living in a two story apart-
ment downstairs - at 1012 Wright
Street. Rooms are roomy & well
lighted. We are fairly well
straightened around although we
have new books cozy without
curtains at the windows. We
truly sleep well at night - so
much good fresh air - no knats
mosquitoes to annoy. I praise the
Lord. Yard is grassed & very
well shaded. Girls each have
a play-house.

Much love from us all to each of you.
Don't we enjoyed the fine church
services yesterday! Ray is in Okla.
on a meeting. School opens Sept. 11.
